between jobsite terrain and machine. Built for rugged conditions, this rock-solid machine will help you turn payloads into profit. Benefits Get More Work Done The 340 features high horsepower, a wide undercarriage, and an optional heavy counterweight, allowing larger work tools to handle substantial payloads and achieve exceptional production output. Save Time and Resources Extended service intervals and top fuel efficiency mean you'll spend more time working and less time and money on maintenance. Easy-to-Use Technology Available technology enables operators of all skill levels to produce faster, better cuts and fills and more accurate payloads. Cat Grade and Payload enhance speed, accuracy, and operating efficiency. Cat E-Fence improves jobsite safety for you, your team, and others.
